PROJECT REPORT

INTRODUCTION:

OVERVIEW :

About a restaurant.

PURPOSE:

To make people taste the food that is never tried before .

LITERATURE SURVEY:

EXISTING PROBLEM:
There are some people who like to taste the cuisine of every place but will not be able to.
PROPOSED SOLUTION:
This website shows a restaurant which helps them to taste the cuisine of every place in India.Not only the food the view from the restaurant is also so beautiful.
BLOCK DIAGRAM:

```
                              ┌──────────────┐
                         ───▶ │     MENU     │

└───────────────┘  ├─────▶ │   ABOUT US   │
                   │       └──────────────┘
                   │       ┌──────────────┐
                   └─────▶ │   LOCATION   │
                           └──────────────┘
```

ADVANTAGES AND DISADVANTAGES:
One can taste different types of food here in this restaurant at the reasonable price.
The abiance as well as the food are so good there,once you visit you will always think of it again.

CONCLUSION:
People need not visit different places to their their specialities,if there is one such restaurant in a place it would be very easy for people who enjoy food as well as the view
